POLYBLANK DESIGNS LIMITED,

Plaintiff,

Case No.: 1:18-cv-2031

v.

THE PARTNERSHIPS AND UNINCORPORATED ASSOCIATIONS IDENTIFIED ON SCHEDULE "A",

Defendants.

COMPLAINT

Plaintiff, Polyblank Designs Limited ("PDL" or "Plaintiff"), by its undersigned counsel, hereby complains of the Partnerships and Unincorporated Associations identified on Schedule A attached hereto (collectively, "Defendants"), and for its Complaint hereby alleges as follows:

INTRODUCTION

1. This action has been filed by Plaintiff to combat online trademark and copyright infringers who trade upon Plaintiff's reputation and goodwill and valuable trademark and copyrights by selling and/or offering for sale products, hereinafter referred to as the "PETS ROCK Products" in connection with Plaintiff's federally registered PETS ROCK Trademark. In addition, the defendants are selling unauthorized products that are based on and derived from the copyrighted subject matter created by PDL, hereinafter referred to as the "PETS ROCK Works."

2. Plaintiff is the owner of the United States Trademark Registration No. 5,097,681 that covers the PETS ROCK Products. The Registration is valid, subsisting and in full force and effect. A true and correct copy of the Registration is attached hereto as Exhibit 1. Pending Copyright applications are attached hereto as Exhibit 2.

3. In an effort to illegally profit from the trademark PETS ROCK, Defendants have created numerous Defendant Internet Stores and design them to appear to be selling authorized PETS ROCK Products.

4. The Defendant Internet Stores share unique identifiers, such as design elements and similarities of the unauthorized products offered for sale, establishing a logical relationship between them and suggesting that Defendants' illegal operations arise out of the same transaction, occurrence, or series of transactions or occurrences. Defendants attempt to avoid liability by going to great lengths to conceal both their identities and the full scope and interworking of their illegal operation. Plaintiff is forced to file this action to combat Defendants' infringement. Plaintiff has been and continue to be irreparably damaged through consumer confusion, dilution, loss of control over the creative content and tarnishment of the valuable trademark and copyright as a result of Defendants' actions and seek injunctive and monetary relief.

JURISDICTION AND VENUE

5. This Court has original subject matter jurisdiction over the claims in this action pursuant to the provisions of the Lanham Act, 15 U.S.C. § 1051 et seq., the Federal Copyright Act, 17 U.S.C. § 101, et seq., 28 U.S.C. § 1338(a)–(b) and 28 U.S.C. § 1331. This Court has jurisdiction over the claims in this action that arise under the laws of the State of Illinois pursuant to 28 U.S.C. § 1367(a), because the state law claims are so related to the federal claims that they form part of the same case or controversy and derive from a common nucleus of operative facts.

6. This Court has personal jurisdiction over each Defendant, in that each Defendant conducts significant business in Illinois and in this Judicial District, and the acts and events giving rise to this lawsuit of which each Defendant stands accused were undertaken in Illinois and in this Judicial District.

7. Venue is proper in this Court pursuant to 28 U.S.C. § 1391, and this Court may properly exercise personal jurisdiction over Defendants since each of the Defendants directly targets consumers in the United States, including Illinois, through at least the fully interactive commercial Internet stores operating under the Defendant Domain Names and/or the Online Marketplace Accounts identified in Schedule A attached hereto (collectively, the "Defendant Internet Stores"). Specifically, Defendants are reaching out to do business with Illinois residents by operating one or more commercial, interactive Internet Stores through which Illinois residents can purchase products bearing infringing versions of Plaintiff's trademark and/or copyright. Each of the Defendants has targeted sales from Illinois residents by operating online stores that offer shipping to the United States, including Illinois, accept payment in U.S. dollars and, on information and belief, has sold products that infringe Plaintiff's trademark and/or copyright. Each of the Defendants is committing tortious acts in Illinois, is engaging in interstate commerce, and has wrongfully caused substantial injury in the State of Illinois.

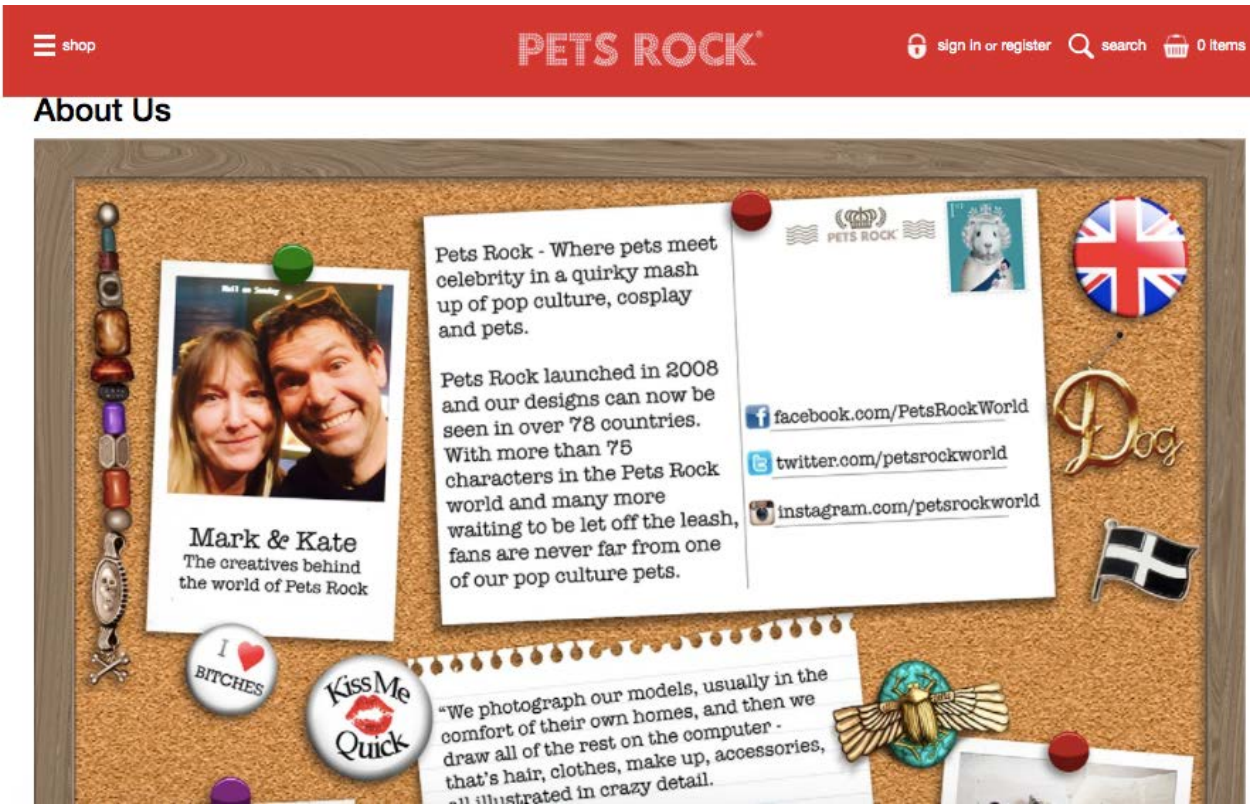
9. The PETS ROCK Trademark has been used exclusively by PDL and has never been abandoned. The PETS ROCK registration is valid, subsisting, in full force and effect. The

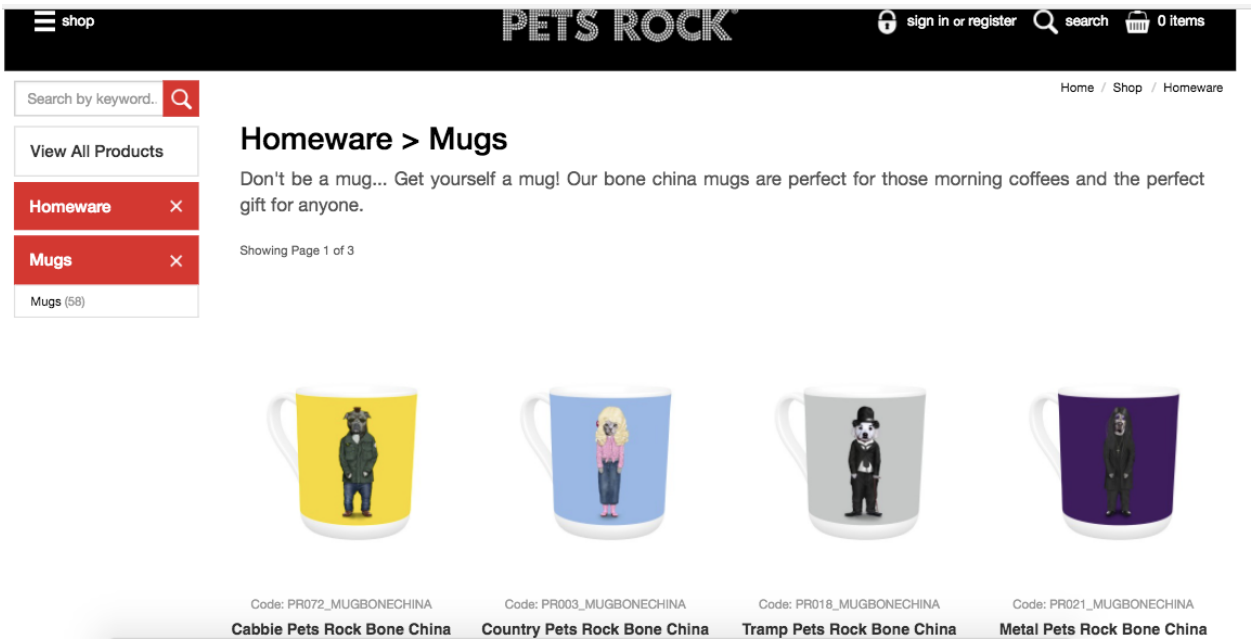
registration of the PETS ROCK Trademark constitutes *prima facie* evidence of its validity and of PDL's exclusive right to use the PETS ROCK Trademark pursuant to 15 U.S.C. § 1057(b).

10. The PETS ROCK Trademark appears on PDL Products, as well as the packaging and advertisements related to such products. PDL Products have long been desirable and popular.

11. PDL has invested substantial time, money and effort in building up and developing consumer recognition, awareness, and goodwill in the PETS ROCK Products.

12. The success of the PETS ROCK Products is due in large part to PDL's marketing, promotional, and distribution efforts. These efforts include advertising and promotion through PDL's website, (the "website"), retailer websites, and other internet-based advertising, print, and other efforts both in the United States and internationally:





13. PDL's success is also due to the use of high quality materials and processes in making the PETS ROCK Products.

14. Additionally, PDL owes a substantial amount of the success of the PETS ROCK Products to its licensees, consumers and interest that its consumers have generated.

15. As a result of PDL's efforts, the quality of its PETS ROCK Products, the promotional efforts for its products and designs, press and media coverage, and members of the public have become familiar with PETS ROCK Products, PETS ROCK Works, and PETS ROCK Trademark and associate them exclusively with PDL. PDL has acquired a valuable reputation and goodwill among the public as a result of such association.

16. PDL has made efforts to protect its interests in and to the PETS ROCK Works and PETS ROCK Trademark. No one other than PDL and its licensees are authorized to manufacture, import, export, advertise, offer for sale, or sell any goods utilizing the PETS ROCK Works or PETS ROCK Trademark without the express written permission of PDL.

THE DEFENDANTS

17. Defendants are individuals and business entities who, upon information and belief, reside in the People's Republic of China or other foreign jurisdictions. Defendants conduct business throughout the United States, including within Illinois and in this Judicial District, through the operation of the fully interactive commercial websites and online marketplaces operating under the Defendant Internet Stores. Each Defendant targets the United States, including Illinois, and has offered to sell and, on information and belief, has sold and continues to sell illegal Expendables Products to consumers within the United States, including Illinois and in this Judicial District.

THE DEFENDANTS' UNLAWFUL CONDUCT

18. The success of the PETS ROCK brand has resulted in its counterfeiting. Plaintiff has identified numerous domain names linked to fully interactive websites and marketplace listings on platforms such as iOffer and Aliexpress, including the Defendant Internet Stores, which were offering for sale, selling, and importing counterfeit PETS ROCK products to consumers in this Judicial District and throughout the United States. Defendants have persisted in creating the Defendant Internet Stores. Internet websites like the Defendant Internet Stores are estimated to receive tens of millions of visits per year and to generate over $135 billion in annual online sales. According to an intellectual property rights seizures statistics report issued by Homeland Security, the manufacturer's suggested retail price (MSRP) of goods seized by the U.S. government in fiscal year 2013 was over $1.74 billion, up from $1.26 billion in 2012. Internet websites like the Defendant Internet Stores are also estimated to contribute to tens of thousands of lost jobs for legitimate businesses and broader economic damages such as lost tax revenue every year.

19. As recently addressed in the Wall Street Journal, Fortune, and the New York Times, and as reflected in the federal lawsuits filed against sellers offering for sell and selling infringing and/or counterfeit products on the above mentioned digital marketplaces, an astronomical number of counterfeit and infringing products are offered for sale and sold on these digital marketplaces at a rampant rate. *See* Kathy Chu, *Luxury brands get tougher with counterfeiters – and Alibaba*, MARKETWATCH (Aug. 16, 2016), http://www.marketwatch.com/story/luxury-brands-get-tough-with-counterfeiters-2016-08-16-91031611; Gilian Wong, *Alibaba Sued Over Alleged Counterfeits*, WALL STREET JOURNAL (May 17, 2015), http://www.wsj.com/articles/alibaba-sued-over-alleged-counterfeits-1431877734; Scott Cendrowski, *There's no end in sight for Alibaba's counterfeit problem*, FORTUNE (May 18, 2015), http://fortune.com/2015/05/18/theres-no-end- in-sight-for-alibabas-counterfeit-problem/.

20. Upon information and belief, Defendants facilitate sales by designing the Defendant. Internet Stores so that they appear to unknowing consumers to be authorized online retailers, outlet stores, or wholesalers selling genuine PETS ROCK Products. Many of the Defendant Internet Stores look sophisticated and accept payment in U.S. dollars via credit cards, Western Union and PayPal. Defendant Internet Stores often include images and design elements that make it very difficult for consumers to distinguish such unauthorized sites from an authorized website. Defendants further perpetuate the illusion of legitimacy by offering "live 24/7" customer service and using indicia of authenticity and security that consumers have come to associate with authorized retailers, including the McAfee® Security, VeriSign®, Visa®, MasterCard®, and PayPal® logos. Plaintiff has not licensed or authorized Defendants to use the PETS ROCK

Trademark and products derived from the copyrighted PETS ROCK Works attached hereto as Exhibit 3.

21. Upon information and belief, Defendants also deceive unknowing consumers by using the PETS ROCK Trademark without authorization within the content, text, and/or meta tags of their websites in order to attract various search engines crawling the Internet looking for websites relevant to consumer searches for PETS ROCK Products. Additionally, upon information and belief, Defendants use other unauthorized search engine optimization (SEO) tactics and social media spamming so that the Defendant Internet Stores listings show up at or near the top of relevant search results and misdirect consumers searching for genuine PETS ROCK Products. Further, Defendants utilize similar illegitimate SEO tactics to propel new domain names to the top of search results after others are shut down. As such, Plaintiff also seeks to disable Defendant Domain Names owned by Defendants that are the means by which the Defendants could continue to sell unauthorized products.

22. Defendants go to great lengths to conceal their identities and often use multiple fictitious names and addresses to register and operate their massive network of Defendant Internet Stores. For example, many of Defendants' names and physical addresses used to register the Defendant Domain Names are incomplete, contain randomly typed letters, or fail to include cities or states. Other Defendant Domain Names use privacy services that conceal the owners' identity and contact information. Upon information and belief, Defendants regularly create new websites and online marketplace accounts on various platforms using the identities listed in Schedule A of the Complaint, as well as other unknown fictitious names and addresses. Such Defendant Internet Store registration patterns are one of many common tactics used by the Defendants to conceal their

identities, the full scope and interworking of their massive infringing operation, and to avoid being shut down.

23. Even though Defendants operate under multiple fictitious names, there are numerous similarities among the Defendant Internet Stores. For example, many of the Defendant websites have virtually identical layouts, even though different aliases were used to register the respective domain names. In addition, many of the unauthorized PETS ROCK Products for sale in the Defendant Internet Stores bear similarities and indicia of being related to one another, suggesting that the illegal products were manufactured by and come from a common source and that, upon information and belief, Defendants are interrelated. The Defendant Internet Stores also include other notable common features, including use of the same domain name registration patterns, unique shopping cart platforms, accepted payment methods, check-out methods, meta data, illegitimate SEO tactics, HTML user-defined variables, domain redirection, lack of contact information, identically or similarly priced items and volume sales discounts, similar hosting services, similar name servers, and the use of the same text and images.

24. Further, illegal operators such as Defendants typically operate multiple credit card merchant accounts and PayPal accounts behind layers of payment gateways so that they can continue operation in spite of any enforcement efforts. Upon information and belief, Defendants maintain off-shore bank accounts and regularly move funds from their PayPal accounts to off-shore bank accounts outside the jurisdiction of this Court. Indeed, analysis of PayPal transaction logs from previous similar cases indicates that offshore operators regularly move funds from U.S.-based PayPal accounts to China-based bank accounts outside the jurisdiction of this Court.

25. Defendants, without any authorization or license, have knowingly and willfully infringed the PETS ROCK Trademark and copyright in connection with the advertisement,

distribution, offering for sale, and sale of illegal products into the United States and Illinois over the Internet. Each Defendant Internet Store offers shipping to the United States, including Illinois, and, on information and belief, each Defendant has offered to sell infringing products into the United States, including Illinois.

26. In committing these acts, Defendants have, among other things, willfully and in bad faith committed the following, all of which have and will continue to cause irreparable harm to PDL: infringed and counterfeited the PETS ROCK Trademark; infringed the PETS ROCK Works; committed unfair competition; and unfairly and unjustly profited from such activities at PDL's expense.

27. Unless enjoined, Defendants will continue to cause irreparable harm to PDL.

COUNT I
TRADEMARK INFRINGEMENT AND COUNTERFEITING (15 U.S.C. § 1114)

28. Plaintiff repleads and incorporates by reference each and every allegation set forth in the preceding paragraphs as if fully set forth herein.

29. This is a trademark infringement action against Defendants based on their unauthorized use in commerce of counterfeit imitations of the federally registered Plaintiff's Trademark in connection with the sale, offering for sale, distribution, and/or advertising of infringing goods. Plaintiff's Trademark is a distinctive mark. Consumers have come to expect the highest quality from PDL and PETS ROCK Products offered, sold or marketed under Plaintiff's Trademark.

30. Without PDL's authorization or consent, with knowledge of PDL's well-known and prior rights in its PETS ROCK Trademark and with knowledge that Defendants' Counterfeit Products bear counterfeit marks, Defendants intentionally reproduced, copied, and/or colorably imitated the PETS ROCK Trademark and/or used spurious designations that are identical with,

or substantially indistinguishable from, the PETS ROCK Trademark on or in connection with the manufacturing, import, export, advertising, marketing, promotion, distribution, display, offering for sale and/or sale of Counterfeit Products.

31. Defendants have manufactured, imported, exported, advertised, marketed, promoted, distributed, displayed, offered for sale, and/or sold their Counterfeit Products to the purchasing public in direct competition with PDL, in or affecting interstate commerce, and/or have acted with reckless disregard of PDL's rights in and to the PETS ROCK Trademark through their participation in such activities.

32. Defendants have applied their reproductions, counterfeits, copies, and colorable imitations of the PDL Marks to packaging, point-of-purchase materials, promotions, and/or advertisements intended to be used in commerce upon, or in connection with, the manufacturing, importing, exporting, advertising, marketing, promoting, distributing, displaying, offering for sale, and/or selling of Defendants' Counterfeit Products, which is likely to cause confusion, mistake, and deception among the general purchasing public as to the origin of the Counterfeit Products, and is likely to deceive consumers, the public and the trade into believing that the Counterfeit Products sold by Defendants originate from, are associated with, or are otherwise authorized by PDL, thereby making substantial profits and gains to which they are not entitled in law or equity.

33. Defendants' unauthorized use of the PETS ROCK Trademark on or in connection with the Counterfeit Products was done with notice and full knowledge that such use was not authorized or licensed by PDL, and with deliberate intent to unfairly benefit from the incalculable goodwill inherent in the PETS ROCK Trademark.

34. Defendants' actions constitute willful counterfeiting of the PETS ROCK Trademark in violation of 15 U.S.C. §§ 1114(1)(a)-(b), 1116(d), and 1117(b)-(c).

35. Defendants' continued, knowing, and intentional use of the PDL Mark without PDL's consent or authorization constitutes intentional infringement of PDL's federally registered PETS ROCK Trademark in violation of §32 of the Lanham Act, 15 U.S.C. § 1114.

36. As a direct and proximate result of Defendants' illegal actions alleged herein, Defendants have caused substantial monetary loss and irreparable injury and damage to PDL, their business, their reputations and their valuable rights in and to the PDL Marks and the goodwill associated therewith, in an amount as yet unknown, but to be determined at trial, for which PDL has no adequate remedy at law, and unless immediately enjoined, Defendants will continue to cause such substantial and irreparable injury, loss, and damage to PDL and its valuable PETS ROCK Trademark.

37. Based on Defendants' actions as alleged herein, PDL is entitled to injunctive relief, damages for the irreparable harm that PDL has sustained, and will sustain, as a result of Defendants' unlawful and infringing actions, as alleged herein, and all gains, profits and advantages obtained by Defendants as a result thereof, enhanced discretionary damages, treble damages, and/or statutory damages of up to $2,000,000 per counterfeit mark per type of goods sold, offered for sale, or distributed and reasonable attorneys' fees and costs.

COUNT II
FALSE DESIGNATION OF ORIGIN, PASSING OFF & UNFAIR COMPETITION
(15 U.S.C. § 1125(a)/LANHAM ACT § 43(a))

38. Plaintiff repleads and incorporates by reference each and every allegation set forth in the preceding paragraphs as if fully set forth herein.

39. Plaintiff, as the owner of all right, title, and interest in and to the PETS ROCK Trademark, has standing to maintain an action for false designation of origin and unfair competition under the Federal Trademark Statute, Lanham Act § 43(a) (15 U.S.C. § 1125).

40. Plaintiff's Trademark is a distinctive mark.

41. Defendants' promotion, marketing, offering for sale, and sale of infringing PETS ROCK Products has created and is creating a likelihood of confusion, mistake, and deception among the public as to the affiliation, connection, or association with Plaintiff or the origin, sponsorship, or approval of Defendants' infringing products by Plaintiff.

42. By using the PETS ROCK Trademark in connection with the sale of unauthorized products, Defendants create a false designation of origin and a misleading representation of fact as to the origin and sponsorship of the unauthorized products.

43. Defendants' false designation of origin and misrepresentation of fact as to the origin and/or sponsorship of the unauthorized products to the general public is a willful violation of Section 43 of the Lanham Act, 15 U.S.C. § 1125.

44. Upon information and belief, Defendants' aforementioned wrongful actions have been knowing, deliberate, willful, intended to cause confusion, to cause mistake, and to deceive the purchasing public and with the intent to trade on the goodwill and reputation of PDL, its PETS ROCK Products, PETS ROCK Trademark, and PETS ROCK Works.

45.
